

PRESS RELEASE

March 21, 2020

For Immediate Release

(602) 317-5278

dhaddad@sandsag.com

COMPLIMENTARY VEHICLE INTERIOR STEAM SANITIZE TO KILL COVID-19.
CONCIERGE SERVICE TO AVOID TRANSFER OF VIRUS.

Sands Chevrolet is a family owned dealership and has been in the valley since 1934. We feel compelled to help reduce the risk of COVID-19 transfer by offering complimentary high temperature steam sanitization. Due to current restrictions **customer vehicles are being picked up and delivered at no charge.** The goal is to help our citizens ensure their vehicle is clean and keep our employees working. We also offer a complimentary multi point vehicle inspection to confirm the overall vehicle state of health. This is being performed as a public service and there is no obligation to purchase anything. Vehicles are picked up throughout the entire Phoenix metropolitan area and the service is performed at both Sands locations (Glendale & Surprise). Please contact Derek Haddad at (602) 317-5278
