Subject: "Indē Ed" Project Reaches 4 Million Free Downloads

Independent Education or "Indē Ed" Project is the idea of Douglas J. Alford. He creates Free digital content to share, easy Science and Stories worldwide. There are over 150 titles of Alford Free eBooks and Videos that come in three levels: easy; middle and advanced.

Alford`s "Indē Ed" Project has reached over 4 million Free downloads to people in 60 countries via Google Play, YouTube and social media. The easy to understand Science eBooks are especially popular with global young adults.

They have written over 10,000 positive comments on Google Play. Next, in popularity are Alford`s, Aesop-Fable-like Stories. Audiences include those interested in English as a Second Language (ESL) and Elementary/Primary Teachers and Students. Alford`s digital creations are also available in 200 International Translations. Alford calls his cyber shareware, MOOKS, because they are multimedia eBooks and audiobooks with Videos too.

Alford`s goal is to share Free Science & Stories, to fill minds with how to fix our collective global problems like poverty and inequality. The Free, "Indē Ed" Project Catalog is available at http://bit.ly/Inde_Ed_Catalog.

All Free, Alford eBooks and Videos are available on Google Play and YouTube. For more info about the "Indē Ed" Project contact [IndeEd4All\(at\)gmail.com](mailto:IndeEd4All(at)gmail.com).
