COVID FRIENDLY LOCATION IN UNCHARTERED WATERS *LADY JUSTICE ON LAND, MERMAID JUSTICE AT SEA*

MARINA DEL REY, CA—August 11, 2020— Laguna Legal has entered unchartered waters and has a COVID-friendly solution for boat owners needing a corporation, trust, or LLC: a new location in Marina Del Rey with built-in fresh air and occasional visits from dolphins.

Ellie Ortiz owns and operates Laguna Legal, specializing in divorce mediation, setting up living trusts, corporations, pre-nuptial agreements, and real estate documents such as deeds, promissory notes/deeds of trust, affidavits of death, and powers of attorney. Laguna Legal has been serving Southern California since 1998. The new Marina Del Rey location, opened last month, will target boat owners who are interested in protecting their assets by setting up a corporation, trust, or LLC for their boat or yacht. The new company motto is, “Let us protect your assets on land or at sea.”
