Russ Davis Wholesale Recalls Peaches and Peach Salsa Because of Possible Health Risk

INVER GROVE HEIGHTS, MN – August 22, 2020 – Russ Davis Wholesale (RDW) is recalling Peach Salsa under the Crazy Fresh and Quick & Easy brands in an abundance of caution due to possible contamination with *Salmonella*.

Salmonella may cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Healthy persons infected with *Salmonella* often experience fever, diarrhea (which may be bloody), nausea, vomiting and abdominal pain. In rare circumstances, infection with *Salmonella* can result in the organism getting into the bloodstream and producing more severe illnesses such as arterial infections (i.e., infected aneurysms), endocarditis and arthritis.

This recall is in response to Wawona Packaging initiating a recall of peaches early in the day August 22, 2020 as an ingredient provider to Russ Davis Wholesale.

To date, Russ Davis Wholesale has not received any reported illnesses related to this organism.

The affected products are:
