“A Note from Dad” Gift Box

Shared content Essentialgifting.com *Gift Guide January/February 2021*

High Point, NC: In the world of gifting, solutions for occasions that do not exist during unprecedented times are critical in delivering messages of encouragement and gratitude. Gifting solutions to understand every desire to fulfill unmet emotions through the simplicity of gift-giving.

At a time when Dads are juggling the logistics of life's new changes, challenges, and priorities, they are often met with quiet heartfelt desires to let their kids know they are aware of every moment within their lives. Essential gifting has created the “A Note from Dad” Gift Box series. Handwritten notes incorporated on behalf of the customer when needed most for unique life moments, special occasions, accomplishments, and encouragement.

Regardless of age, “A Note from Dad” gift box is memorable and cherished. The gift box is created using a personal shopper approach, favorite things and hobbies and dad’s devotion to nurturing passions and adding elements of inspiration and wisdom are part of the packaging. Dad’s choice for Valentine’s Day.

“A Note from Dad” Gift Box features insights on:

- Moving Forward, Be Encouraged
- My Devotions to Your Success
- Share Your Passion
- Navigating Change
