WINE ENTHUSIAST[®]

BUYING GUIDE

94 points

94 **Black Fig Vodka (USA; Black Infusions, Wellesley, MA).** The aroma suggests dried figs and dates. The palate shows cocoa, dried figs and dates, with a hint of plum skin tartness, finishing long and concentrated. It's easy to see this mixed with Cognac or other dark spirits to amp up fruit notes in a cocktail. What's in the bottle is vodka infused with California figs.
