

EWR Digital Named Strategic Marketing Partner of OOGN

The move sees Matt Bertram being named as the new CMO for OOGN.

Houston, TX [EWR Digital](#) is pleased to announce it has been named the new strategic marketing partner of [Oil and Gas Global Network](#), (the world's leading oil & gas podcast network).

EWR Digital is one of the fastest growing full-service digital marketing agencies in Houston. Founded in 1999, EWR Digital specializes in providing result-driven online marketing strategies and delivery for medium-sized businesses and enterprise brands across the globe. Now also a market leader in providing Web3/ Crypto marketing solutions for companies on the cutting-edge of innovation.

In the company's most recent news, EWR Digital has been named as the strategic marketing partner of OOGN, the world's largest network of oil and gas podcasts. With this move, EWR Digital's Lead Strategist, Matt Bertram, will become the new CMO for OOGN, an exciting leadership development for both companies.

"we want to bring a wealth of marketing experience to support the next leg/phase of growth for the prestigious OOGN network," Bertram says. "we have the ability to push the search & social algorithms, amplifying our podcasts reach online. and using proven methodologies, we look forward to collaborating with OOGN and their sponsors."

"we have many favorite projects on the go, and this is certainly one of them" Bertram continues. "we look forward to our upcoming launch and are confident our listeners will be excited to hear what we've been working on, as for the new Web3 Podcast segment we are releasing,"
