17th Annual Alive! Expo – The Natural Products, Green Living Health & Wellness Event

The Nation's Longest Running and Only Green Living, Natural Products Event on the East Coast

For Immediate Release – Atlanta, GA - Alive! Expo is back in Atlanta and celebrating its 17th year! With Covid-19 cases declining more and more Atlantans are looking for Healthy Options and Health Information! At Alive! Expo you will find both! One Weekend under one roof – this May 14 & 15, 2022 Alive! Expo returns to the Cobb Galleria Centre!

"Covid-19 almost killed us as a business.. but it didn't get us. We survived and now we are on a mission to not only Rebuild but to reach more individuals that NEED healthy options, wellness approach, clean food and green living" says the owner and founder, Patrycja Siewert-Towns. Alive! Expo is not just the longest running event of its kind event, but the only green living, natural products, health & wellness consumer event on the East Coast! If you have never attended – you will enjoy live health & wellness lectures, demonstrations, free yoga classes by local instructors, food & drink sampling, health screenings, show deals and discounts plus product samples from attending companies! "Many individuals already embrace a Green & Eco Lifestyle! Now is the time for all Atlantans to arm themselves with information and education so that they too can incorporate it into their daily lifestyle!"

The Alive Expo will showcase many new vendors in the green living, natural products, eco and health & wellness industries. Companies showcasing healthy food options, vitamins, supplements, eco home products, health and wellness companies, as well as the latest and greatest in the industry! About Project Green

Proceeds from ticket sales benefit Project Green, a non-profit 501c3 whose mission is to foster environmental education in future generations with a sponsor program that allows underserved children and youth in foster care to attend summer camps. We partner with summer camps that offer a plethora of interests including music, aquatics, marine life, organic gardening & lifestyle, equestrian therapeutics and more. We are always adding new summer camps to our list.
