## Morgan County Medical Oncology Practices Combine to Provide Comprehensive Cancer Care

(Decatur, AL) November 21, 2022 - Clearview Cancer Institute (CCI) and Cancer Care Center of Decatur are joining together in order to enhance services, expand offerings and be the source of excellent cancer care to patients in north Alabama.

With this partnership, effective January 2, 2023, Clearview Cancer Institute will offer patients and providers two locations in Decatur and welcome Naveen T. Lobo, MD, to its team of oncologists. Dr. Lobo has provided cancer care in Decatur for nearly two decades. He will continue to see patients at his current location, 1310 14<sup>th</sup> Avenue SE in Decatur.

"Our collective teams - now united as Clearview Cancer Institute - share a dedication to delivering compassionate, quality, cancer care," said Gary Walton, Chief Executive Officer at Clearview Cancer Institute. "It's our privilege to continue CCI's long history of excellent medical oncology services, through a collaborative approach. As one team and combined resources, the newly expanded Clearview Cancer Institute will proudly serve our patients of Decatur and the surrounding areas by providing advanced cancer care, close to home."

The addition of Dr. Lobo increases the Clearview Cancer Institute-Decatur provider team to four physicians and seven advanced practice providers, bringing the entire medical staff to more than 60 providers and 13 locations for patients across Northwest Alabama.
