REVOLUTIONIZE PEOPLESOFT MIGRATIONS TO OCI

ORACLE | Partner

Tharseo IT and SMACT Works join forces as proven Oracle Partners to provide unparalleled Oracle PeopleSoft and OCI services that cover the full solution life cycle. This end-to-end solution covers everything from an initial Lift and Shift Assessment to Cloud Hosting Realization and Sustaining Support Services. Leveraging market-leading practices, methodologies, and tools, this partnership ensures smooth migrations that minimize disruption, enhanced security, and deliver long-term value at a cost-effective price point. "The collaboration between Tharseo IT and SMACT Works, Inc. is truly a game-changer for PeopleSoft migrations to OCI in the Government and Higher Education sectors," said Eric Wimer, CEO of Tharseo IT. "By joining forces, we are poised to make a significant impact on the industry, helping organizations to streamline their operations, optimize resources, and ultimately, accelerate their digital transformation journey."
