

Absolute Storage Management Celebrates 21st Year in Industry and 21st State Presence

By Grace Totty, VP of Marketing and Sales

Absolute Storage Management (ABSOLUTE) is celebrating its 21st year of operating self-storage facilities for owners in the storage industry. With over 80 collective years of experience in their senior leadership team, ABSOLUTE has become a trusted name in the industry. The company takes pride in providing high-quality self-storage solutions to its customers.

As ABSOLUTE celebrates its 21st year of operations, the company is excited to announce its expansion into its 21st state. This strategic growth will allow ABSOLUTE to serve the market preferences of its current and future customers. The company's growth over the years is a testament to its commitment to delivering exceptional customer service, quality storage solutions, and industry-leading operations. With this new state, ABSOLUTE will manage self-storage facilities for owners in 21 states across the Southeast, Southwest, Midwest and Mid-Atlantic regions of the United States.

Throughout its years in the self-storage industry, ABSOLUTE has built a solid reputation for itself by providing top-notch services to its customers. The company has invested in technology to ensure a seamless customer experience, including online reservation and payment options, digital leasing, and remote access control. Additionally, ABSOLUTE has implemented stringent security measures to ensure the safety and security of its customers' belongings.

ABSOLUTE is also committed to giving back to the communities it serves. The company has partnered with several charitable organizations to support those in need. ABSOLUTE's corporate social responsibility programs have included food drives, toy drives, and fundraisers for various charitable causes.

With its expansion into its 21st state, ABSOLUTE is poised to continue its growth trajectory and deliver exceptional self-storage solutions to its customers. The company's commitment to providing innovative solutions, excellent customer service, and corporate social responsibility will ensure that it remains a leader in the self-storage industry for many years.
