

# Product Descriptions

## CBD OILS

Available in 900mg and 1800mg strengths, and in Cinnamon, Natural, and Pomegranate flavors, our CBD oils are made with organic full-spectrum hemp extract and MCT oil to provide fast and effective relief.

## CBD SOFT GELS

Our CBD capsules are made with the same high-quality ingredients as our tinctures and provide a convenient and precise way to incorporate CBD into your daily wellness routine.

## CBD GUMMIES

Our CBD gummies are a delicious and fun way to incorporate CBD into your daily routine. Made with full-spectrum hemp extract, they are perfect for on-the-go. Formulated with potency and rapid absorption in mind.

## CBD TOPICALS

Our CBD topicals are designed to target specific areas of pain and inflammation, providing targeted relief and relaxation. Our 1800mg full-spectrum roll-on features a hand picked selection of organic essential oils providing extremely high efficacy and rapid absorption, while being easy to use on hard to reach places. Unlike many of our competitors, our 1000mg full-spectrum salve is uniquely designed to be far less oily or greasy, while providing a concentrated formulation to provide maximum relief from intense pain and discomfort.

## CBD TEAS

Our exotic line of USDA certified organic CBD Teas are available in both Masala Chai and Turmeric.

**Masala Chai:** Crafted with organic Assam black tea leaves including organic cardamom, cloves, and ginger oil.

**Turmeric tea:** Formulated with organic Assam black tea leaves hand blended with dried fruits and flowers, and organic turmeric root.

## CBD BATHBOMBS

Our luxurious 200mg CBD Bath Bombs are inspired by nature and are available in six amazing therapeutic aromas. Featuring olive oil, kaolin clay, and witch hazel for a calming, cleaning, and rejuvenating experience for your skin. It provides anti-inflammatory benefits that help to heal cuts, bruises, and swelling.

**Success Orange:** This upbeat and cheerful bath bomb is the perfect way to feel hydrated, soft, and rejuvenated.

**Release Peppermint:** An invigorating bath bomb crafted to be refreshing, with therapeutic calming and cooling effects on your mind and body, while easing the throbbing pain of tension and headaches.

**Hope Lavender:** With the healing powers of lavender, this concentrated bath bomb will help erase the stresses of the day and induce relaxation and better sleep.

**Flow Coconut:** Our premium quality CBD along with coconut helps to promote smoother, tighter skin, as well as soothing tired muscles.

**Revive Sweet Rose:** A sensual and aromatic escape into bliss. The skin softening botanicals and minerals combined with the mood boosting and aphrodisiac properties make for a uniquely exotic experience.

**Relax Eucalyptus Spearmint:** The combination of eucalyptus and spearmint provide a therapeutic experience for your sinuses and breathing, as well as calming symptoms from sunburn, measles, eczema, and a variety of other conditions.
