Fort Robin Announces Authorization as Official Dealer of Bluetti Power Storage Products

Expanding the Horizon of Renewable Energy Solutions

CAMAS, WA, March 21, 2023 – FortRobin.com, an online e-commerce brand dedicated to providing innovative outdoor adventure products to create amazing family memories, is thrilled to announce its recent authorization as an official dealer of Bluetti Power Storage Products. This collaboration underscores the Fort Robin brand's dedication to offering its customers the best in renewable energy solutions for modern-lifestyle camping experiences.

Bluetti, a global leader in portable and solar energy solutions, is celebrated for its commitment to building a future with renewable energy. From homeowners seeking backup power solutions to outdoor enthusiasts requiring portable energy sources, Bluetti's diverse product line ensures every customer finds a solution tailored to their needs.

"We are incredibly excited to partner with Bluetti, a brand that continues to demonstrate why it's the name to beat in the power storage industry," said Amy Hay, co-president of Fort Robin. "This collaboration aligns perfectly with our mission to provide our customers with high-quality products that meet and exceed their expectations."

Key Highlights of the Partnership:

Diverse Product Range: Customers can now explore and purchase a wide range of Bluetti products, from compact power stations to high-capacity solar generators, all under one roof at FortRobin.com.

Exclusive Deals and Offers: To celebrate the partnership, FortRobin.com will be offering exclusive deals and promotions on select Bluetti products for a limited time.

Expert Support: FortRobin.com's dedicated customer service team is trained to assist customers in choosing the right Bluetti product for their needs and to provide after-sales support.

Fast and Reliable Shipping: With warehouses strategically located, FortRobin.com ensures prompt delivery of Bluetti products to customers across the country.

Customers can now browse the Bluetti collection on FortRobin.com and take advantage of the introductory offers. For more information about the partnership or to explore the range of Bluetti products, visit FortRobin.com.
