

Malibu Access Control and Malibu Club Systems Appoint Bret Jacob as Senior VP of Business Development

Nashville, TN – [July 10, 2024] – Malibu Access Control and Malibu Club Systems are thrilled to announce the appointment of industry veteran Bret Jacob to the company's ownership group and as Senior Vice President of Business Development. With decades of experience in the electronic systems industry, Jacob brings a wealth of expertise in sales management and strategic partnerships to the Malibu team.

Jacob has admired Malibu for its innovative approach and cutting-edge technology and is eager to contribute to its growth and success. "I am incredibly proud to join the team at Malibu Access Control and Malibu Club Systems," said Jacob. "This is a visionary systems manufacturer that I have respected for a long time. I look forward to collaborating with Malibu dealers, their clients, and our industry partners to make a significant impact on the business. Together, we will drive forward the company's mission of delivering exceptional access control and integrated solutions to the market."

Jacob's extensive background includes leadership roles at several prominent companies in the electronic systems sector. His strategic insights and business acumen have consistently resulted in substantial growth and enhanced market positioning. In his new role, Jacob will focus on expanding Malibu's market presence, fostering strategic partnerships, and driving innovative initiatives that align with the company's vision.

Joe Harwell, CEO of Malibu Access Control and Malibu Club Systems, expressed enthusiasm for Jacob's appointment. "We are delighted to welcome Bret Jacob to our leadership team. His experience and proven leadership will be invaluable as we continue to expand our reach and enhance our product offerings. Bret's passion for innovation and excellence aligns perfectly with our goals, and we are excited about the future of Malibu under his guidance."

Malibu Access Control and Malibu Club Systems are dedicated to providing top-tier access control solutions that enhance security and streamline operations for their clients. With Jacob on board, the company is poised to further elevate its standards of innovation and service.
