'TIMBERLINE' On-Demand Series
January 2025, LONDON, UNITED KINGDOM

PRESS RELEASE

London, United Kingdom - Ironsgate Films presents: TIMBERLINE
An original on-demand series to be filmed in the USA.

"TIMBERLINE" plunges you into the shadowy depths of the Pacific Northwest, where a British man's search for peace becomes a fight for survival.

Ten years ago, James Walker (Alexander Hathaway) fled to Los Angeles to escape his past. Now, he's seeking a fresh start in a quaint Pacific Northwest town, but a mysterious woman's arrival shatters his fragile peace. She knows his secrets, and days later, she's dead.

Suddenly, everyone is a suspect.

James must untangle a web of lies and confront his own buried past to uncover the truth. "TIMBERLINE" is a thrilling murder mystery with the quirky charm of "Northern Exposure" and the chilling suspense of Agatha Christie.

Starring Alexander Hathaway (www.lexhathaway.com) of Quantum of Solace, Carmen's Kiss, Amazing Grace, Coma, Eastenders, Casualty and Young Dracula.

Produced by Ironsgate Films
