FOR IMMEDIATE RELEASE: January 31, 2025

SOLACE BOATS ANNOUNCES THE LAUNCH OF THE SOLACE 37 PILOT CENTER CONSOLE AT THE MIAMI INTERNATIONAL BOAT SHOW

Building on the success of the SOLACE 37CS, the SOLACE 37 PILOT makes a bold statement setting a new standard in luxury center console boats featuring a bold Dougherty-designed “Command Center” delivering protection from the elements while providing unmatched comfort and quality. The 37 PILOT is the first in a series of SOLACE pilot models to come that are designed to extend the boating season while showcasing groundbreaking features that continue to define SOLACE.

At the core of the 37 PILOT is the enclosable, climate controlled, and lockable Command Center. Whether facing intense heat, cold winds, thunderstorms, heavy seas, or a rainy day, the 37 PILOT design keeps you comfortable, safe, and secure.

For those perfect weather days, the windshield, side console doors, and rear window can be fully opened, offering an open-air experience and 360° panoramic visibility. This versatility allows you to extend your boating season year-round, enjoying more days on the water with the flexibility to adapt to any weather conditions.

About SOLACE Boats

“In a world where everything is the same, mass-produced, and uninspired... why choose ordinary?”

Simply having the same product that everyone else owns has no meaning when you can choose to make a statement— instead, push the limits and boundaries of mundane options and decide to be extraordinary. That is why you choose SOLACE. A brand backed by a culture of living life with a sense of rugged individualism and a passion for perfection.

SOLACE Boats was founded in 2019 by Stephen Dougherty, drawing on a boatbuilding legacy that spans generations. Produced in Edgewater, Florida, SOLACE Boats is the world leader in luxury center console boats that serve a multitude of boating missions and continues to define the meaning of boating in the 21st century.
