## **AUTHOR BIOGRAPHY**

James Clark is a science fiction author based in Willingboro Township, New Jersey.

With 8 years of service as a US Navy veteran and current IT professional, Clark brings a unique blend of military experience and technical expertise to his storytelling.

Living with his wife Lynnetta and four sons (James Jr., JaShaun, Isaiah, and Ira), Clark draws inspiration from his family life and diverse interests including cooking, weightlifting, and hands-on projects.

His storytelling is influenced by a rich tapestry of media including novels, movies, anime, manhwa, TV, and comics.

# THE SHADOW OF ASHES SERIES

Latest Release: "Arise from the Shadow of Ashes" (2025)

The highly anticipated sequel deepens the exploration of human resilience, technological advancement, and survival in a world forever changed. This compelling continuation follows the journey begun in "Shadow of Ashes," pushing the boundaries of human potential in a world shaped by alien contact and genetic engineering.

## Shadow of Ashes" (Book 1)

Set in 2144, this debut novel explores humanity's struggle for survival in a world transformed by greed, war, and genetic advancement. Praised for its engaging storytelling without heavy technical jargon, the novel introduces readers to a future Earth where the lines between human advancement and survival become increasingly blurred.

Available worldwide through:

- Amazon
- Barnes & Noble
- Global Distribution via Ingram Sparks

Series Themes:

- Advanced Technology Impact
- Human Resilience
- Genetic Engineering
- Military Science Fiction
- Post-apocalyptic Survival
- First Contact
