**Van Buren, Ark.** (May 21, 2025) – State Representative Ryan Rose (R – Van Buren/Ft. Smith) officially announced his candidacy for re-election Wednesday, seeking a third term representing Arkansas House District 48.

**“From day one, I’ve been committed to fighting for the families, values, and future of the River Valley and all of Arkansas,”** said Rep. Ryan Rose. **“I’ve worked to cut taxes, protect the unborn, advance education freedom, and deliver conservative healthcare reforms that save lives. I’ve been a bold voice for faith, family, and freedom in every committee, every floor debate, and every policy discussion. We’ve made major strides, but our work is far from done. That’s why I’m running for re-election, to continue delivering real results and building a safer, stronger, and more prosperous Arkansas.”**
