

FOR IMMEDIATE RELEASE

AURI ELEVATE Launches Advanced Biostimulator Training for Medical Aesthetic Professionals, Featuring Rechelle Trejo, NP, and Jordan White, RN

GILBERT, Ariz., June 27, 2025 - Auri Aesthetics announces the next session in its premium training series, AURI ELEVATE, with a full-day, hands-on clinical course titled "Biostimulator Mastery: Sculptra® & Hyperdilute Radiesse®" taking place July 26, 2025 in Gilbert, Arizona.

Designed for licensed medical professionals including nurse injectors, physicians, and dentists, this high-level training is co-led by Rechelle Trejo, NP, founder of Auri Aesthetics and Auri Injector Academy, and Jordan White, RN, international trainer and aesthetic leader widely known as The Murse Injector.

"AURI ELEVATE was created to meet the demand for more rigorous, thoughtful, and strategy-based training in aesthetics," said Rechelle Trejo, NP. "This course offers a deeper look into both the science and the artistry of biostimulatory treatments-something we believe the next generation of injectors is hungry for."

Training Highlights Include:

- Scientific foundations of collagen biostimulators
- Product composition and mechanism of action for Sculptra® and hyperdilute Radiesse®
- Safe and effective injection techniques using cannula and needle
- Anatomy-based safety protocols and complication prevention
- Patient selection, treatment planning, and practice integration for profitability

This is a hands-on, small group training focused on clinical skill-building and strategic treatment planning. The event is independently hosted by Auri Aesthetics. No sponsorship or affiliation with product manufacturers is implied.

Registration Information:

To apply, call 480.509.7730 or email info@auriaesthetics.com.

Spots are limited and early application is encouraged.
