United Capital Partners, LLC

# WHO IS UNITED CAPITAL PARTNERS?

Leading the way in commercial  
financial services.

---

United Capital Partners is a premier financial services firm specializing in **tailored debt solutions** for businesses across various industries. With decades of combined experience, we bring expertise, agility, and a **client-focused** approach to financing.

Finally, financial services experts you can trust. United Capital Partners works with a team of finance professionals with an average twenty years of experience in funding equipment leasing and working capital loans.

# WHAT WE BRING

## Decades of Experience

Our team has 20+ years of experience in the equipment leasing, venture debt, and asset-based lending markets.

## Proven Track Record

United Capital Partners has provided millions to emerging and established businesses across a wide variety of industries.

## Flexible Solutions

We provide tailored, innovative financial products for the current and future capital requirements of your business.

# OUR MISSION

---

To empower businesses by providing innovative financial solutions that drive growth and operational efficiency.

# OUR DIFFERENTIATOR

---

Deep relationships with private capital sources, enabling us to deliver customized financial structures for unique client needs.

# CORE SERVICES

We leverage the expertise of our investor pool to offer financial products that serve venture-funded companies and traditional debt products to fund bankable or investment-grade credits.

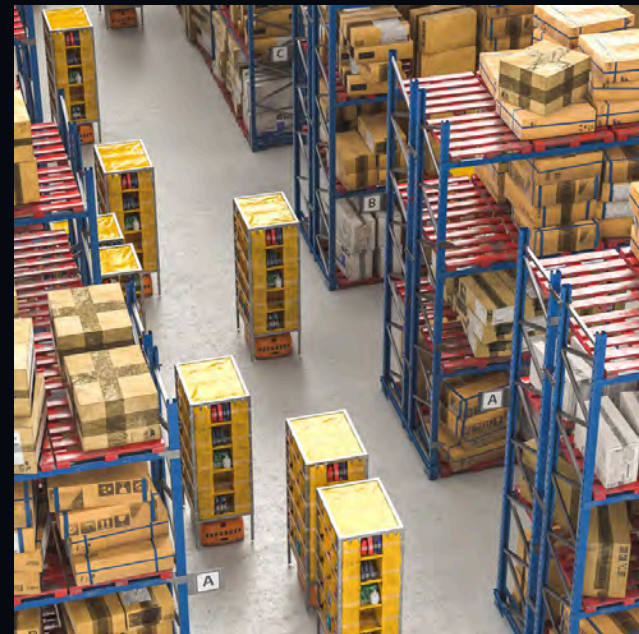

## Equipment Leasing & Financing

Flexible options for capital expenditures

## Asset-Based Lending (ABL)

Unlock working capital secured by receivables, inventory, or other assets.

## Growth Capital Loans

Fuel business expansion with non-dilutive capital.

## Real Estate Financing

Tailored solutions for property acquisition or refinancing.

# ADDITIONAL OFFERINGS

## Purchase Order Financing

Bridge cash flow gaps to fulfill large orders.

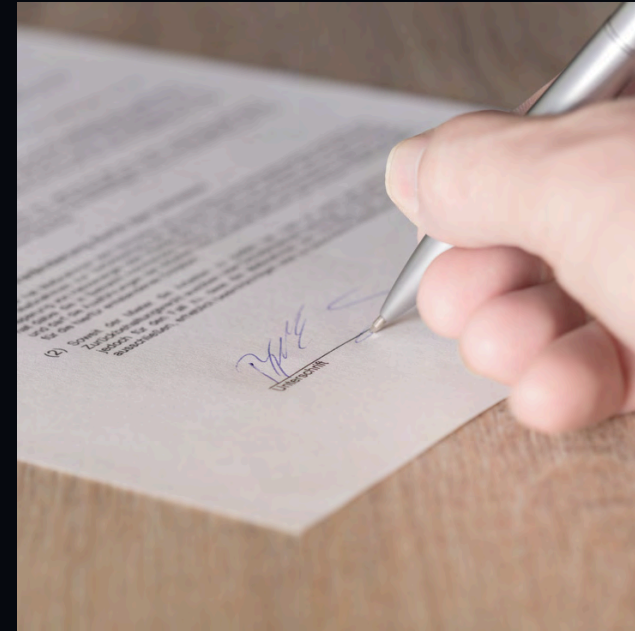

## Factoring

Accelerate receivables to meet operational cash needs.

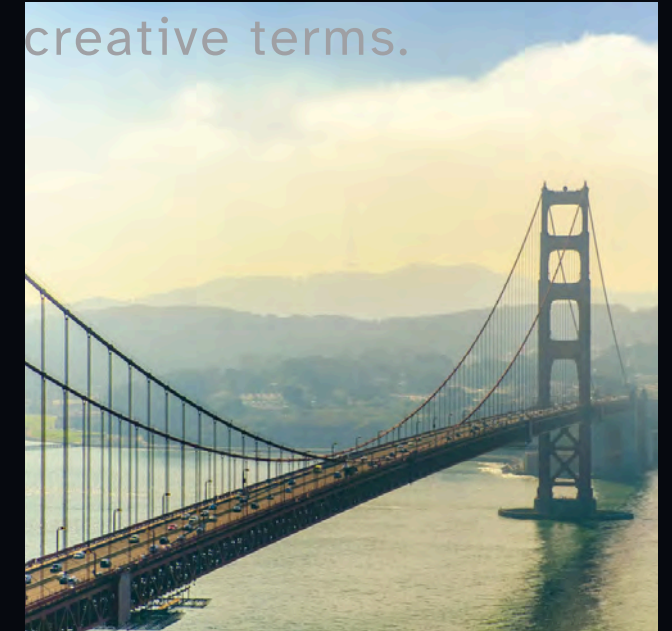

## Sale- Leasebacks

Monetize owned assets for immediate liquidity

## Short-Term Bridge Loan

short-term working capital lines that are built quickly with creative terms.

# TIMELINE

## Initial Consultation

Understand the client's business model, goals, and financial needs.

## Preliminary Review

Conduct a high-level analysis of creditworthiness and transaction feasibility.

## Customized Structuring

Develop tailored financing options leveraging our private capital network.

## In-House Underwriting

Assess and structure deals internally, ensuring a streamlined process.

## Capital Placement

Secure financing through private facilities, syndication, or direct funding models.

## Ongoing Support

Provide continuous guidance and adjustments as the business grows.

# OUR APPROACH

---

We believe in lasting partnerships, not simply transactions.

## Collaborative

Partner *with* clients to align financial solutions with business strategies.

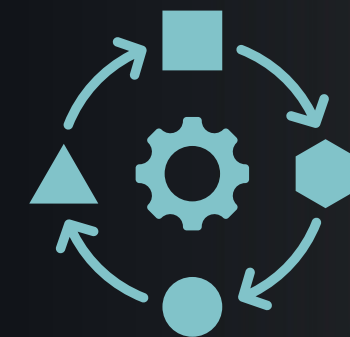

## Transparent

Keep clients informed at every stage of the financing process.

## Efficient

Leverage our expertise and relationships to deliver *timely* outcomes.

## Flexible

*Adapt* structures to meet the evolving needs of our clients.

# WHY UCP?

Your business is unique and that means you deserve an experienced partner with a proven track record that tailors your financing to *your needs*.

## E

### Experienced

Seasoned professionals with deep industry insights.

## D

### Direct Access

Strong relationships with family offices, hedge funds, and private equity firms.

## T

### Tailored

One size does not fit all; we craft bespoke financing for each client.

## G

### Global Reach

Expertise in international transactions and cross-border financing.

# NEXT STEPS

Schedule a consultation to discuss your business needs. Discover how UCP can tailor financial solutions to support your growth.
