### Fallout 76 Content Creators Go All-In for Charity at El Gato Pub Poker Invitational

**Helvetia, WV** — El Gato Pub is excited to announce the first-ever Gato Pub Poker Invitational, kicking off the “From Paw to Plate” charity campaign in support of Feeding America. This high-stakes event brings together Fallout 76 content creators for a lively poker tournament during Helvetia’s real-life Fasnacht celebration, all to help families in need.

On Friday, February 13th, from 1 PM to 6 PM ET, notable Fallout 76 players and a seasoned Texas Hold’em dealer will gather in scenic Appalachia. The action will be livestreamed at <https://twitch.tv/elgatopub>, inviting fans worldwide to cheer, donate, and make a difference.

The “From Paw to Plate” initiative reflects El Gato Pub’s ongoing commitment to fighting food insecurity. We chose to raise money for Feeding America, the nation’s largest hunger-relief organization, to turn every hand played into hope for families across the country. Donations will be accepted via Tiltify, allowing viewers to contribute and have some fun while doing some real good.

“Our players are used to running parades in Fallout 76 every year, but this year, I wanted to bring us together in person for something good,” said Shredz, owner of El Gato Pub. “Fasnacht is the perfect backdrop for a fun, meaningful event. Food insecurity is real, and we’re excited to help—while having a blast with friends.”
