

NO MOON TODAY

Dr. Zee

Schaumburg, IL: In her endearing new children's book, **No Moon Today** [published by Amazon Kindle Direct Publishing], Author Dr. Zee introduces readers to Toddler Dunne a delightful little one who adores the moon just as much as he loves Mommy and Daddy.

Readers can tenderly feel this mother/son affectionate bond as Dunne adorably admires moon's reliable position in the universe and place in his heart. At only three-years-old, he is as contemplative and introspective as any professional investigator!

Dunne feels deeply about the moon's changes as it keeps growing bigger and bigger untilFULL MOON BIGGEST! Grab your Rocket Ship to enjoy reading Dunne's moon travels. Blast-off as the moon story unravels. A story sure to be enjoyed by young readers and listeners alike.
