

Distribute Anything Track Everything

CENTRALIZED POLICY REPOSITORY

Securely store, organize and easily access all your policies, procedures and guidelines in one unified platform. Eliminate silos and ensure everyone has the latest information.

ENHANCED VISIBILITY & ACCOUNTABILITY

Provide clear visibility through automated notifications, acknowledgement tracking, feedback mechanisms, and detailed audit trails. Ensure stakeholders have access to the most current policies and training materials throughout their lifecycle.

WORKFLOW AUTOMATION

Reduce manual processes through automated assignments, version control, reminders, and reporting.

COST-EFFECTIVE & SCALABLE:

Affordable pricing tailored for SMBs and mid-sized enterprises.

STREAMLINE POLICY MANAGEMENT & EMPOWER YOUR TEAM

Organizations face increasing challenges in centralized policy management & ensuring employee awareness. eGoldHub's Policy and Training Management System simplifies these processes through automated distribution, acknowledgement tracking, and audit-ready reporting, reducing risk and improving efficiency.

WHY CHOOSE EGOLDHUB

eGoldHub helps organizations establish a robust framework for creating, distributing, and tracking policies and training effectively. This leads to better compliance, reduced risks, improved efficiency, and a more informed and accountable workforce.

More affordable than legacy solutions

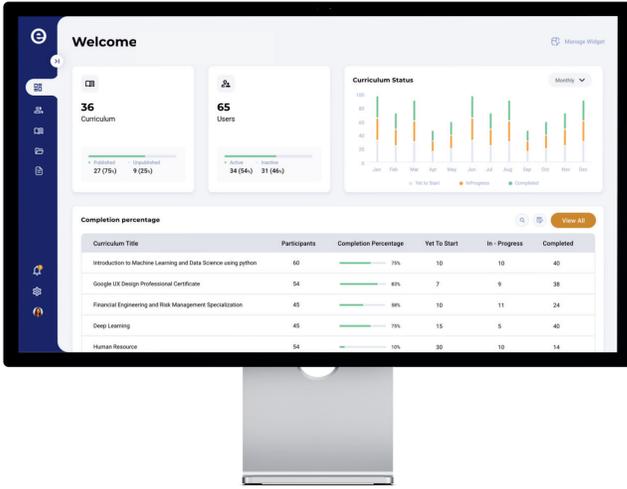

Ensures audit readiness

Seamless roll-out with our experienced team

"Implementing eGoldHub has been a game-changer for us. The roll-out was incredibly smooth, far exceeding our expectations for a project of this scale. We've seen an immediate improvement in efficiency and accuracy, and our team has adapted to the new system with remarkable ease." - Shane R., Onboarding & HR

KEY FEATURES

SECURE, CENTRALIZED ACCESS

Store all organizational policies and training materials in one easily accessible, secure hub –making it simple for employees to find and refer to the documents they need.

FULL VERSION CONTROL & AUDIT TRAIL

Maintain complete oversight with version histories and detailed audit logs, ensuring transparency and accountability for every policy change.

AUTOMATED DISTRIBUTION & ACKNOWLEDGEMENT TRACKING

Seamlessly distribute policies to the relevant teams or individuals and track acknowledgements to demonstrate distribution and receipt for internal and regulatory requirements.

TARGETED POLICY DELIVERY

Deliver specific policies and training to designated users or groups, ensuring the right people receive the right information at the right time.

EMPLOYEE UNDERSTANDING & COMPLIANCE MONITORING

Reinforce policy and training awareness with built-in quizzes and real-time tracking of distribution, acknowledgements, and completion to demonstrate understanding and audit readiness.

HOW IT WORKS

- 1. Create & Manage Policies and Training** – Draft content, set approvals, and distribute effortlessly.
- 2. Automate Compliance Tracking** – Track acknowledgements and completions, set reminders, and generate audit-ready reports.
- 3. Integrate Learning & Training** – Assign courses, track completion, and support compliance requirements.
- 4. Leverage Automation** – Streamline assignments, maintain version control, and generate audit logs and reports.

WHO IS IT FOR

Role	Challenges	How We Help
C-Suite (CEO, CFO, COO)	High compliance costs, regulatory pressure	Reduces risk, supports adherence efforts, lowers costs
Safety & Compliance Leaders	Employee training gaps, low policy engagement	Reinforces compliance, automates policy and training distribution and tracking
Human Resources	Employee Onboarding, version control, and accountability	Streamline onboarding, policy and training distribution, and ensure employee acknowledgements are tracked
IT & Security Teams	Siloed systems, security risks	Secure cloud-based solution with easy integration

Discover how eGoldHub can transform your policy and training management processes.
