FOR IMMEDIATE RELEASE

Decatur, AL – March 20, 2026 – Mama Justice – MW Law Firm, a leading personal injury law firm serving Mississippi, Alabama, and Tennessee, is proud to announce its official community partnership for the 2026 "Dine for Disaster" initiative. Joining forces with the American Red Cross and local restaurants across Northern Mississippi and Northern Alabama, Mama Justice is helping to amplify support and raise critical funds for disaster relief efforts.

The "Dine for Disaster" campaign taking place this March encourages community members to dine out at participating local restaurants to support the life-saving mission of the American Red Cross Alabama-Mississippi Region. Funds raised during this community-focused week allow the Red Cross to respond to large and small disasters, providing hot meals, warm blankets, and safe housing to families experiencing their most vulnerable moments.

As a primary sponsor funding and amplifying the event, Mama Justice's involvement underscores the firm's deep commitment to corporate social responsibility and community leadership.

"At Mama Justice, our commitment to our neighbors goes far beyond the courtroom," said Missy Wigginton, founder of Mama Justice. "When the unimaginable happens to families in our community, it is our duty to step up. We are honored to join forces with 'Dine for Disaster' to support the incredible work of the American Red Cross and encourage everyone to use their dinner to make a real difference."

Residents across Northern Mississippi and Northern Alabama are encouraged to participate by enjoying a meal at local partner spots between March 23 and March 30. By utilizing its platform to champion this cause, Mama Justice continues to position itself as a dedicated leader in the Mississippi and Alabama business communities.
