SELF STORAGE GIVES BACK TO THE COMMUNITY WITH NEW GAS CARD GIVEAWAY
Central Access Storage in Hot Springs, Arkansas

HOT SPRINGS, ARKANSAS – Central Access Self Storage has made community involvement a big part of how it operates its facilities, with an emphasis on supporting the people and organizations around them. In Hot Springs, that recently led the team to think about something almost every customer walking through their doors has in common: they're usually in the middle of a move, a renovation, a downsize or another life change that comes with plenty of expenses.

So, to assist our community with expenses, the Central Access facility is giving every new renter a prepaid gas card at move-in: \$50 for a 10x10 unit or larger and \$25 for a smaller unit.

It's one of several ways the facility is trying to show up as a local business rather than simply a place to store things.

If you're interested in covering it, our facility manager, Sondra, is available for an interview. We can also provide photos or arrange a visit to the Central Access facility.

Thanks for your consideration.

About Absolute Storage Management

Absolute Storage Management (Absolute) is one of the largest privately owned third-party self-storage management companies in the United States. Founded in 2002, Absolute manages self-storage facilities throughout the Southeastern and Midwestern regions of the United States.
