

AIRCRAFT

TYPES OF AIRCRAFT

YOUR COMPANY NAME clients have the flexibility to reserve Light, Medium, or Heavy jets for each and every trip. Our client services representative will consult with you to determine the most appropriate jet for each trip, based on the number of passengers, luggage requirements and the distance to be traveled.

<i>Example Specifications</i>	LIGHT	MEDIUM	HEAVY
RECOMMENDED PASSENGER COUNT	up to 6	up to 8	up to 15
APPROXIMATE SPEED	380-490 mph	420-490 mph	420-500 mph
APPROXIMATE RANGE	1,000-1,300 sm	1,550-2,000 sm	2,650-3,700 sm

Please note that these are approximations and that all speed/ranges are affected by weather, passenger count, runway length, and prevailing winds.

STANDARD OR PREMIUM

Clients can choose aircraft from either the Premium or Standard Jets for each flight:

PREMIUM JETS	STANDARD JETS
<ul style="list-style-type: none">• Include many of the newest aircraft in the market• Average age of approximately four years	<ul style="list-style-type: none">• Offer a broader range of aircraft without compromising the comfort of private jet travel
