MODEL HOME & RESIDENTIAL PROPERTY STAGING

Model Home Staging & Merchandising – What makes us different? We work with builders to create a design program that is affordable and flexible. Our team will create a visually stunning model for your project from our inventory of furnishings and accessories – leased to you on a monthly basis – saving you expensive design time charged by other model merchandising firms. We are committed to creating a high quality, visually stunning model home that fits within your budget.

Residential Property Staging - Today's competitive real estate market has intensified the need for effective Residential Home Staging that reflects the latest trends, desires and needs of home buyers today. We know the market - first time buyer, empty-nester, baby boomers, move-up or move-down, the profile is clear to us and we design for your target audience that emotionally connects the buyer with creative interiors that fulfill their dreams and desired lifestyles.

INVESTORS & SPEC BUILDERS

Whether you've just picked out a piece of land or already have a blueprint, we can help you take the hassle out of the building selection process. From refining your floor plan to selecting, ordering and overseeing the installation of your products, we can professionally guide you through all the design selection phases.

BUILDERS & DEVELOPERS

The bottom line – You want your properties and spec homes to sell faster! Incorporating us into your marketing plan will not only help you achieve this goal, but save you thousands of dollars over traditional interior merchandising firms.

REALTORS & BROKERS

Sell your listings quickly and for the desired price! We are a dedicated marketing partner that can help to accelerate the sale of your residential listings. Whether vacant or owner-occupied, Home Staging gives Realtors a strategic advantage by emotionally connecting potential buyers to the property.
