

# Gaining Personal Power and Inner Peace: Timeless Truths from Two Great Cultures

## with Ernest Chu China

The Rev. Ernest Chu is a descendant of Zhu Xi the 12th-Century founder of Neo-Confuciansim. Ernie's ancient Chinese roots and his leadership position in the New Thought movement make him a living example of balanced energy (yin-yang). His guided meditations recalling the ancient Chinese sages help people to connect with their own inner wisdom.

## with Eliana Gilad Israel

Eliana Gilad is a descendant of the ancient Hebrew matriarchs who used voice and rhythm as a means of finding inner balance and outer peace. Internationally known as an expert in ancient healing and transformational music, Eliana is a composer, peace activist, author and founder of the Voices of Eden Healing Music and Peace Center. She lives peacefully in Galilee with Jews, Christians and Muslims. She practices daily what she teaches.
